SUBJECT: Briefing Paper for DD/I on ORR's GM Intelligence Activities

1. In response to your inquiry of today, I am forwarding herewith a copy of the subject paper for your retention. In earlier discussions with Mr. Amory, it seemed clear that he was not aware of the extent to which ORR had devoted research effort to the economic aspects of guided missile production. Hence the paper.

2. If you have any questions, please do not hesitate to call.
